Section C

Objectives and activities

Summary of the objects of the charity set out in its governing document

The object of the charity is to relieve the needs of people with learning and sensory disabilities by providing high quality supported living accommodation and associated services at Wick End Farm, thus creating a sustainable structure which will ensure that future generations of people with a complex range of difficulties are able to enjoy the benefits that supported living offers whilst remaining close to the area where they grew up. This object goes hand in hand with meaningful social and local community participation, developing relationships with peers who have similar needs and interests and maintaining familial bonds. To the wider community, the charity also provides additional services, such as advocacy & advice, signposting, raising public awareness about profound & multiple learning disabilities (PMLD) and liaising with people and organisations looking to replicate the charity's model.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

The trustees have had regard to the Charity Commission's guidance on public benefit. The charity has provided high quality supported living accommodation at Wick End Farm, has facilitated meaningful social and local community participation and has also delivered additional services, such as advocacy & advice, signposting and guidance to third parties regarding supported living arrangements. Hence the trustees consider that they have complied with their duty to have due regard to the public benefit guidance when exercising duties to which the guidance is relevant.

Additional details of objectives and activities (Optional Information)

You may choose to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Summary of the main achievements of the charity during the year

The main focus of the charity in its first 16 months up to the end of March 2025 has been advocacy.

The secretary of the charity spoke at the National Star College Transition event in October 2024. Two sessions were held and approximately 80 people attended. Feedback was positive with several people contacting the charity after the event for further information.

Enquiries continue to come into the charity asking about how to set up a supported living provision. Teams meetings are generally the best way to answer queries but some people have visited Wick End Farm as well as meeting via Teams.

It will take time to establish a local network but friends of the four young people who live in the house regularly visit and join in activities.

The four young people have joined in community activities and, by doing this, they have widened their circle of friends. This will stand the charity in good stead in terms of raising awareness of PMLD and demonstrating that supported living is a sustainable option.

There has been little activity in terms of fundraising other than successfully applying for a grant from The JMS Trust. This funded much needed equipment for the four young people.

Section E Financial review

Brief statement of the charity's policy on reserves

AfL's policy has been to build up a cash reserve of around £20,000 to ensure there are enough funds readily available for prompt maintenance of the property and to cover any potential rental income voids (to date there have not been any voids). The trustees are pleased to be able to confirm that as at 31 March 2025, the cash balance at the Co-Operative Bank was £21,500.

Details of any funds materially in deficit

Further financial review details (Optional information)

You may choose to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

AfL's principal source of funds for the period came from housing benefit & utilities contributions (£65,059) and charitable donations (£1,376). The income has been used to cover the following expense: rent (£32,121), repairs, maintenance and ongoing property costs (£5,883), professional fees (£6,882) and miscellaneous costs (£48). As a result, a surplus of £21,500 was generated during the period.

The trustees are considering how best to start to utilise surplus funds now that the budgeted cash reserve amount of £20,000 has been exceeded.

Section F Other optional information

Plans for the next twelve months include a fundraising event hosted by the Estate Agency Leaders, sensory workshops and other activities to increase independence skills and boost health and wellbeing.

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
