Accounts

Annual Trustee Report 2026

1. **Annual account return** – (See 2024-2025 accounts)
2. **Summary of Main achievements:**
 - Fundraising events; The Yorkshire 3 Peaks that raised £1200
 - We are now up to 2 classes, 7 regular attendees in each class.
3. **Wider benefits to Society:**
 - We have continue to provide a class that has benefited children from the Care experienced community. After requesting feedback from the parents we have seen that the children feel safe, have enjoyed the classes and are becoming more confident at expressing themselves through the medium of Performing Arts. (An email feedback form was sent to the parents and we have verbally asked the students for feedback that has been shared on the Believe website anonymously). They realise that they are not alone and that there are children in similar circumstances which has reduced a feeling of isolation and promoted a feeling of belonging and self worth.
 - The classes have helped to improve the students sense of confidence, self esteem and social skills helping them interact in the wider community such as school.
 - Believe has provided an opportunity for parents, carers and guardians to meet and come together and support each other. Feedback from the parents has said they have appreciated being able to talk to other parents who are experiencing similar difficulties.
4. **Teacher update:** Emily is back from her maternity leave. We have also welcome Sarah Vandervelde ex Occupational therapist and Stagecoach Drama of over 20 years to help with cover when needed.
Congratulations to trustee Beth who is currently on Maternity leave!
5. **Marketing** - We could really still do with spreading the word. It would still be good to do a short video to share on social media.
The Stagecoach Charity Gala evening will help to raise awareness in their bi-annual charity gala evening.
.
6. **Website update** – Good to see fundraising section updated
7. **Update on Spending** The spending has doubled this year. There is the usual spend on hall hire, insurance and website however with two classes and Emily being on maternity leave, there was increased spend on teaching costs. We also bought the standing flag stand this year to have outside the Kinson Community Centre and we do events such as West Moors Farm fest.
8. **Fund raising update** Last year June we were successful in receiving £477.73 from West Moors Farm Fest as their Charity Partners plus £1200 from the Yorkshire 3 Peaks challenge

9. **AOB:** All trustees to think about next fundraising activity. Possibly BINGO night

Accounts

Annual Trustee Report 2024

1. Annual account return – (See 2023-2024 accounts)

2. Summary of Main achievements:

-Two great fundraising events; The Stagecoach Charity Gala evening in March and the Quiz evening in September. The amount raised has allowed us to cover Insurance and hall hire with enough to keep going through 2025.

We have managed to create a website that perfectly sums up the main objectives of Believe this has been shared with Foster agencies and Aspire. We have started our first ever class. So far there is 9 students we hope to keep marketing this, so more children are able to benefit through 2025.

3. Wider benefits to Society:

-We have provided a class that has benefited children from the Care experienced community. After requesting feedback from the parents we have seen that the children feel safe, have enjoyed the classes and are becoming more confident at expressing themselves through the medium of Performing Arts. (An email feedback form was sent to the parents and we have verbally asked the students for feedback that has been shared on the Believe website anonymously). They realise that they are not alone and that there are children in similar circumstances which has reduced a feeling of isolation and promoted a feeling of belonging and self worth. The children were brave enough to perform in a sharing of work at the end of the Winter term. This took a huge amount of confidence, something that they wouldn't have been able to do after their first two terms. This shows progression and that the class is having a positive impact. Believe has provided an opportunity for parents, carers and guardians to meet and come together and support each other.

4. Emily Maternity – Becca Shaw will be joining to teach whilst Emily takes some time off. Becca is already an Early Stages teacher for Stagecoach Performing Arts and is currently completing a Masters in Play Therapy, so it is a great fit!

5. Marketing - Help!

Emily did a newspaper article for the Echo and Viewpoint. Spoke about a Meta campaign. Beth is going to set up a little video campaign possibly to be filmed at CHS. Aiming to hit for Spring recruitment. It will be a sponsored Ad but may be worth it if it spreads the word a little more.

6. Website update

When you search it we can now see it.

Si to update website with comments from students, fundraising activities and change the wording from 'Looked after' to 'Care experienced'.

7. Update on Spending Usual spending on hall hire, insurance and website

8. Fund raising update

Emily has applied for the West Moors Farm Fest Charity Grant, am waiting to hear back

Emily setting up the Yorkshire 3 Peaks hike challenge

9. Spread the word

Update from Lydia on groups shared with. – Local adopting groups, Aspire

Emily to email parents asking them to complete a google review or Facebook review

10. AOB :

Beth to sign conflict of interest policy, all to sign Safeguarding policy

Tshirts – Emily to send out an email asking for interest at £14 a tshirt.

Then they will have

Them for the Allendale Centre Singing performance.
