- 77% of churches saw new follow-up ministries emerge as a result of their camps.
- 80% of those ministries remained active six months later.
- 30% of campers transitioned into follow-up ministries after their initial camp experience.
- 75% of those attendees continued to engage in ministry beyond the six-month mark.
- 88% of churches have already committed to hosting another camp.
- 66% of churches reported that individuals came to Christ through their camp experiences.
- Camps have grown by 66% from 2024 to 2025, proving an increasing hunger for these life-changing experiences.

I report in respect of my examination of the charity’s accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner’s statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
