TRUSTEES' REPORT (CONTINUED)
FOR THE PERIOD ENDED 31 JANUARY 2025

Objectives and activities (continued)

c. Main activities undertaken to further the Company's purposes for the public benefit

Steelbacks in the Community is committed to widening participation and engagement across cricket, especially under-represented groups.

In October 2024 Steelbacks Foundation took over responsibility for the activities previously carried out by Northants Recreational Cricket CIC.

Steelbacks Foundation will continue to use cricket as a driver for positive change and life improvements in Northamptonshire.

Achievements and performance

a. Main achievements of the Company

Steelbacks in the Community has delivered an increase in the number of people playing and engaging with cricket, including volunteering, managing and watching. The focus has stayed consistent, supporting 80 plus clubs, making cricket accessible for all, engaging children and young people, and transforming women's and girls' cricket.

Through the ECB County Grants Fund, we have awarded greater than £60k to help clubs create welcoming environments, tackle the impact of climate change and improve facilities, under the direction of our impartial panel which meets across three grant cycles each year.

18,000 students from 100 schools have taken part in cricket activity, including Chance to Shine and Lord's Taverner events. 500+ children attended one of our skills or holiday camps with 100+ places provided free, supported by healthy eating activities as part of our HAF programme. 75+ children participated in street cricket sessions under Chance to Shine, at three local hubs.

23 clubs now have women and girls' sections, and of our 210 junior teams, 33 are now girls only. We have trained 150 volunteers and operated a number of new walking cricket hubs.

Financial performance

a. Financial review

In the 6 months ended 31st January 2025, income totalled £204,871 against expenditure of £131,324. The Foundation held reserves of £79,465 at 31st January 2025 which is in line with the reserves policy.

Following the sale of the Hundred franchises, the ECB will be investing more money into Recreational cricket. The Trustees will be creating a viable case to access this funding.

b. Reserves policy

The trustees intend to build up reserves to a figure that would cover 6 months fixed overheads including salaries.

Grants are included in the Statement of Financial Activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance Sheet. Where income is received in advance of entitlement of receipt, its recognition is deferred and included in creditors as deferred income. Where entitlement occurs before income is received, the income is accrued.
