

Aim & Purposes

The aim and purpose of Jesus Saves Ministries is to reach the unreachable with the magnificent love of God, both locally and internationally. We are committed to sharing the message of salvation through Jesus Christ and ministering God's deliverance in every area of life—spiritually, physically, emotionally, financially, and psychologically—so that individuals may experience the abundant life promised in 3 John 1:2. Our mission includes serving others with compassion through outreach and charitable support, empowering believers with spiritual and practical tools to live victorious lives, and building a global community of faith that reflects the love, power, and presence of God in every aspect of life.

Objectives

At JSM, our vision is to establish a church that meaningfully invests in people's lives, enabling them to experience the abundant life promised by Christ.

Our mission is to advance the Kingdom of God through the proclamation of the gospel of Jesus Christ. We aim to promote the Christian faith by organizing conferences, gospel concerts, workshops, life coaching sessions, and seminars and providing Christian counselling.

Additionally, we are committed to delivering educational and training initiatives that contribute to Kingdom advancement. Central to our mission is the facilitation of worship services and Bible study programs—open to both members and the wider public—with the goal of reconciling individuals to God.

Achievements & Performance

JSM is keen on offering a range of services during the week and over the course of the year that our community finds both beneficial and spiritually fulfilling. For example, we have reintroduced our night-keeping services, which happen on the third Friday of each month. This service starts from 9 pm until 12 am and is an evening prayer service that allows our community to come together and pray and seek God's presence and is a more intimate and reflective environment for worship. There have been several events and activities that JSM was able to achieve during this period by the grace of God. Here is a list of the events and activities that were an absolute success.

- Jesus Saves Ministries 5th year Anniversary
- Youths' Conference 2024 (how to find a Godly Partner)
- Youths Fasting (every first Saturday of the month)
- Good Friday movie night
- Week of service leading to Easter Sunday
- Woman Ministry Anniversary
- Vacation Bible School for Children's department
- Couples' Gala Night
- Gospel Concert
- Christmas Party

Volunteers

On behalf of all the trustees at JSM, we are filled with deep gratitude for everyone who gave their time, talents, and hearts to serve alongside us at Jesus Saves Ministries.

Your dedication—whether through ministry work, event support, outreach, administration, or simply lending a helping hand—has been a powerful expression of God’s love in action. You have helped us reach lives, build faith, and share the message of hope in ways that would not have been possible without you.

Thank you for your unwavering commitment, your joyful spirit, and your willingness to serve wherever needed. You have made a lasting impact, and we are truly blessed to have such a faithful team of volunteers.

We pray that the seeds you’ve sown this year will continue to grow and bear fruit in the lives of others—and in your own. We would like to thank our devoted volunteers who have sacrificed their time and efforts to make it possible for us to continue with God’s work.

Structure and Management

All departmental leaders are expected to work collaboratively and in unity, fostering mutual respect—particularly towards the pastor, who serves as the spiritual overseer of the church. Leadership decisions and actions must consistently reflect and support the church’s overarching vision and mission, with a clear commitment to maintaining harmony and avoiding any conduct that may lead to discord or division within the body of Christ.

Leaders are entrusted with both the right and responsibility to convene extraordinary meetings when deemed necessary, particularly when such meetings contribute to the church’s growth, restoration, or overall improvement.

Serving in any department of the church is regarded as both a sacred privilege and a divine responsibility. All leaders and members must uphold the highest standards of spiritual integrity, exemplify Christ-like character in their behavior, and lead with humility and accountability. In instances where these standards are persistently compromised, appropriate disciplinary actions—including removal from leadership, will be enforced to preserve the spiritual health and integrity of the church.

For the financial year ended January 2025, Jesus Saves Ministries experienced a deficit of £712.34, where total expenditures exceeded total income.

This shortfall reflects increased operational costs, Event expenses, and ministry activities that were necessary to fulfil our mission during a challenging but impactful year. While this outcome was not our initial intention, it was prayerfully managed and aligned with our commitment to serving our community faithfully.

Jesus saves ministries does not receive any government grant, has any investment or a consistent source of income. We mainly rely on our tithes and offerings/giving which helps us to support our objectives and operational cost.

We are actively reviewing our budgeting strategies and strengthening stewardship efforts to ensure sustainability moving forward. With God's guidance and the continued support of our members, we remain confident in our ability to meet future needs and restore financial balance."
