e) Volunteers

The charity is grateful for the good efforts of its volunteers who are involved in service provision. The charity has a volunteer coordinator to ensure that best value is derived from the sterling efforts of our volunteers.

Achievements and Performance

a) Review of Activities

The charity is consolidating the gains of previous development and has successfully ministered to the needs of various social groups within and outside the church. The charity provides forum for manpower development for its members to be equipped, educationally, socially and spiritually. It offers various counselling sessions to the needy, unemployed, and educational and makes referral whenever the need arises.

The charity provides counselling services to members of the community. We have also embarked on various training programmes to equip more church volunteers with the relevant counselling skills that will help them serve the community better. We continue to support and encourage young people by providing a Youth Church where teenagers meet on Sunday afternoon under a caring, supportive and encouraging atmosphere.

The charity still continues to fulfil its main objectives, by creating facilities to help develop the whole man, spiritually, mentally and physically. We have invested time, energy and money into activities and programmes that has helped prevent youth crimes, depressions in people, child abuse and such social vices that are eating deep into our society.

Financial Review

a) Reserves Policy

The trustees have established a policy whereby the unrestricted funds not committed or invested in tangible fixed assets ('the free reserves') held by the church should be 3 months of annual expenditure. At this level, the trustees feel that they would be able to continue the current activities of the church in the event of a significant drop in funding.

b) Principal Funding

This is provided mainly through voluntary offerings and tithes by church members and through gift aid scheme. Pledges are also taken for specific projects.
