Trustees' Report

The trustees present the annual report together with the financial statements of the charity for the year ended 31 December 2024.

Objectives and activities

Objects and aims

As a local congregation of the United Reformed Church comprising 34 members and 21 adherents/regular attendees, Lea Road Community Church seeks to advance the Christian religion through its activities and the facilities offered to the community by its building.

Structure, governance and management

Nature of governing document

The activities of Lea Road United Reformed Church are overseen by the Elders' Meeting of the Church in accordance with the provisions of The Structure of the United Reformed Church determined by the General Assembly of The United Reformed Church, and supplemented by the rules of Lea Road Church.

The Elders' Meeting is responsible for the financial administration of the Church, and the care and maintenance of church premises.

The Church Meeting (of all members wishing to attend) gives general guidance on the life and work of the Church.

Recruitment and appointment of trustees

The members of the Elders Meeting are: the minister in pastoral charge (if any) and up to 12 members of Lea Road Church nominated and elected as Elders, and therefore also as Trustees, by the members of Lea Road Church in Church Meeting. Elders serve for 3 years, retire by rotation and are eligible for re-election. The Elders meeting currently consists of one minister in shared pastoral charge of the Wolverhampton & Smestow Brook pastorate (of which Lea Road Church is a part and the second minister post is currently vacant) and 4 elders with a Chair of Trustees chosen from among them.

The annual report was approved by the trustees of the charity on Oct 21, 2025 and signed on its behalf by:

Independent Examiner's Report to the trustees of Lea Road Community Church

I report to the trustees on my examination of the accounts of Lea Road Community Church for the year ended 31 December 2024. The organisation is not a registered charity, however, I have carried out an independent examination based on the procedures required for a registered charity.

Responsibilities and basis of report

The organisation is an unincorporated association and, as such, is under no statutory obligation to prepare accounts in any particular format, nor is it obliged to have those accounts subject to any external scrutiny such as an audit or independent examination. However, the trustees/elders have determined that an independent examination would be appropriate.

I report in respect of my examination of the Lea Road Community Church's accounts carried out using section 145 of the 2011 Act as a basis and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of Lea Road Community Church as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Notes to the Financial Statements for the Year Ended 31 December 2024

1 Accounting policies

Going concern

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern.

Income and endowments

Voluntary income including donations, gifts, legacies and grants that provide core funding or are of a general nature is recognised when the charity has entitlement to the income, it is probable that the income will be received and the amount can be measured with sufficient reliability.

Donations and legacies

Donations and legacies are recognised on a receivable basis when receipt is probable and the amount can be reliably measured.

Grants receivable

Grants are recognised when the charity has an entitlement to the funds and any conditions linked to the grants have been met. Where performance conditions are attached to the grant and are yet to be met, the income is recognised as a liability and included on the balance sheet as deferred income to be released.

Investment income

Dividends are recognised once the dividend has been declared and notification has been received of the dividend due.

Expenditure

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

Charitable activities

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Governance costs

These include the costs attributable to the charity's compliance with constitutional and statutory requirements, including audit, strategic management and trustees meetings and reimbursed expenses.

Taxation

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

Lea Road Community Church

Notes to the Financial Statements for the Year Ended 31 December 2024 (continued)

Trade debtors

Trade debtors are amounts due from customers for merchandise sold or services performed in the ordinary course of business.

Trade debtors are recognised initially at the transaction price. They are subsequently measured at amortised cost using the effective interest method, less provision for impairment. A provision for the impairment of trade debtors is established when there is objective evidence that the charity will not be able to collect all amounts due according to the original terms of the receivables.

Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

Borrowings

Interest-bearing borrowings are initially recorded at fair value, net of transaction costs. Interest-bearing borrowings are subsequently carried at amortised cost, with the difference between the proceeds, net of transaction costs, and the amount due on redemption being recognised as a charge to the Statement of Financial Activities over the period of the relevant borrowing.

Interest expense is recognised on the basis of the effective interest method and is included in interest payable and similar charges.

Borrowings are classified as current liabilities unless the charity has an unconditional right to defer settlement of the liability for at least twelve months after the reporting date.

Fund structure

Unrestricted income funds are general funds that are available for use at the trustees discretion in furtherance of the objectives of the charity.

Restricted income funds are those donated for use in a particular area or for specific purposes, the use of which is restricted to that area or purpose.
