Report of the Trustees

The Trustees present their annual report and financial statements for Valvar Tamil Nilayam for the year ended 31 March 2025.

Objectives and Activities

Principal Activities

Valvar Tamil Nilayam is established to advance education and promote the Tamil language, culture, and heritage for the public benefit, primarily within the Harrow area-Rooks Heath School community.

The Trust's principal focus is on educational provision and community engagement through structured learning programmes and cultural activities designed to preserve and promote Tamil heritage while supporting the personal and educational development of children and young people.

Educational and Cultural Activities

Language Education

During the year, the Trust delivered weekly Tamil language classes during term time, supporting the development of reading, writing, listening, and speaking skills. These classes are aimed primarily at children and young people and are designed to complement mainstream education while fostering cultural awareness and confidence. In addition to in-person teaching, the Trust provided online (Zoom-based) lessons three to four times per week for students preparing for GCSE Tamil examinations. These sessions focused on listening, speaking, and reading skills to ensure effective coverage of the syllabus and to enhance examination preparedness.

Mathematics Education

The Trust also **conducted mathematics lessons** aimed at supporting students' academic achievement and improving numeracy skills. During the year, the Trust **successfully obtained grant funding** specifically to support the delivery of these mathematics lessons, enabling wider access and enhanced educational provision.

Performing Arts Education

The Trust also conducted classical performing arts education as part of its cultural programme. This included:

- Classical dance lessons in Bharatanatyam
- Classical instrumental music lessons

These activities contributed to the preservation of traditional art forms, encouraged creative expression, and supported students' cultural and personal development.

Community and Cultural Events

The Trust organised and supported a range of cultural and community events throughout the year, including:

- Saraswathi Pooja
- Speech and Communication programmes
- Graduation / Decoration Day
- Tamil and Pongal New Year Celebrations
- Annual Sports Day

These events provided opportunities for participants to showcase their talents, celebrate cultural traditions, and engage meaningfully with the wider community.

Public Benefit

The Trustees confirm that they have had due regard to the Charity Commission's guidance on public benefit. The activities undertaken during the year delivered clear educational and cultural benefits to children, young people, and the wider community by promoting language proficiency, artistic skills, cultural understanding, social inclusion, and community cohesion.
