TRUSTEES REPORT

Activities undertaken during the year

League

We have undertaken to provide and organise competitive competition by organising the following leagues:

- Summer League
- Winter League
- Saturday League

Adult netball

We organise opportunities for pay and play netball bootcamp throughout the interim periods between the competitive seasons. These sessions are available to anybody, member or non-member, just to turn up and participate, whilst under the supervision of qualified coaches.

In May 2024 we organised a netball rally in which 23 teams participated in a fun competition at the weekend. The rally is available for any team enter and participate for the chance to win the Cup.

Walking netball runs on a Wednesday evening and is a turn up and play session that runs throughout the winter and summer seasons.

Our facilities are available to all members of the public to hire; members receive a £10 discounted rate.

Youth netball

Our Youth sessions run every Sunday morning for children aged between 8-16. These sessions are run on by qualified coaches. Again, these are just turn up and play sessions available to all abilities.

We ran a summer netball camp in August 2024, available for mixed youths aged 8-18. This is 3 full days of netball coaching and skills. Across the 3 days this attracted around 50 - 60 young people each day.

We allow a number of organisations to use netball facilities for no charge. This included:

- Local junior school tournaments
- Available to secondary schools for match use
- County trials during June 2024
- Regional U14 matches in September 2024 and January 2025
- A couple of Charity fun day netball tournaments, including annual Kent Police Netball Tournament.

Umpiring

We assess and then mentor aspiring and experienced umpires to assist them in moving through the England Netball Officiating pathway. We have helped 9 umpires through the assessment pathway as follows:

- 2 B award umpires
- 5 C award umpires
- 2 IO award umpires

For the year ended 30 April 2025

TRUSTEES REPORT

We have taken an active approach in mentoring and training with all umpires to educate regarding the new rules introduced by England Netball in September 2024. We have run 2 rules forums for all umpires to attend.

Fundraising

In July 2024, we hosted our annual awards evening, to award teams who finished top and runners up of each respective division. We raised £3,530 from ticket sales and raffles ticket sales.

We also sell a small number of apparel items for umpires and youth.

Achievements and performance

During the Winter League for 2024-25 we had 83 teams enter, which at the start of the season equated to 733 registered players.

The summer season, which is non-competitive, we had 78 teams enter but there were 1,236 players registered who at least played in 1 game.

Bootcamp was very popular throughout August 2024, with an average of 70 attendees to each session. This is a little quieter in April 2024, mainly due to the weather, where attendees ranged from 40-50 for each session.

Financial Review

MMNL achieved a stable financial performance during the reporting year. The total income for the year amounted to £88,219, primarily derived from membership fees, league entry fees, league game fees, league tournaments, and fundraising initiatives. This represents a 4% increase compared to the previous year.

Expenditure for the year totalled £45,083, with funds allocated toward league activities, facilities maintenance and administrative costs. The League maintained a prudent approach to spending, ensuring that resources were directed toward fulfilling its charitable objectives. It should be noted that only half of the ABRFC Membership fees have been recognised during this period. The membership period runs from 1 November 2024 – 31 October 2025. The full membership cost was £35,691, compared to £34,424 last year. An increase of 2.3%. The amount paid per member is currently £48.69

The Trustees have adopted a reserves policy to safeguard the MMNL's long-term financial stability. As of the year-end, the League's unrestricted reserves stood at £27,267, equating to around 6 months of operating costs. Restricted reserves dedicated to specific projects totalled £81. A transfer of £170,000 was placed in a designated reserve for future court refurbishment and upgrades. The total of this fund as at 30 April 2025 was £171,575.

Investment activities were limited during this year, with funds placed in savings accounts to preserve capital while earning modest returns. No material uncertainties regarding the League's financial position have been identified.

For the year ended 30 April 2025

TRUSTEES REPORT

The Trustees remain committed to transparency and sound financial management practices. Financial controls and procedures are regularly reviewed to ensure compliance with all relevant regulations.

Reserves policy

The Trustees reserves policy is to have 6 months running costs with general reserves, and the rest to designated reserves for court improvement works.

Statement of Trustees responsibilities

The Trustees, as set out on page 3 are responsible for preparing the Trustees Report and the financial statements in accordance with applicable law and regulations.

Charity law requires the trustees to prepare financial statements for each financial year. Under that law the trustees have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under charity law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of the affairs of the charitable company as at the balance sheet date and of its incoming resources and application of resources, including income and expenditure, for the financial year. In preparing those financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently.
- observe the methods and principles in the Charities SORP;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, *subject to any material* departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue on that basis.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities SORP. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for prevention and detection of fraud and other irregularities.

The Trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Limited liability

Members of the charitable company guarantee to contribute an amount not exceeding £1 to the assets of the company in the event of winding up. The total number of such guarantees as at 30 April 2025 was 84.

For the year ended 30 April 2025

The financial statements are prepared in sterling, which is the functional currency of the company. Monetary amounts in the financial statements are rounded to the nearest £.

The effects of events relating to the year ended 30 April 2025 which occurred before the date of approval of the financial statements by the Trustees has been included in the financial statements to the extent required to show a true and fair view of the state of affairs as at 30 April 2025 and the results for the year ended on that date.

Malling and Maidstone Netball League meets the definition of a public benefit entity under FRS102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

(b) Going Concern

At the time of approving the accounts, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus, the trustees continue to adopt the going concern basis of accounting in preparing the accounts.

(c) Fund accounting

- Unrestricted funds are available for use at the discretion of the Trustees in furtherance of the general objectives of the charity. Unrestricted funds include donations and other incoming resources receivable or generated for the objects of the charity without further specified purpose.
- Restricted funds are subjected to restrictions on their expenditure imposed by the donor or through the terms of an appeal. Expenditure, which meets these criteria, is charged to the fund.

(d) Income

All incoming resources are included in the statement of financial activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income:

- Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.
- Other costs include those costs associated with meeting the constitutional and statutory requirements of the charity and include the independent examination and costs linked to the strategic management of the charity.
- All costs are allocated between the expenditure categories of the SOFA on a basis designed to reflect the use of the resource. Costs relating to a particular activity are allocated directly; others are apportioned on the basis of an estimate of the proportion of project size.

(f) Fixed assets

Fixed assets are initially measured at cost and subsequently measured at cost net of depreciation and any impairment losses.
