Fairlight Pavilion annual report. 2024/2025

The group known as Fairlight Pavilion has ceased looking into the potential build project as of 11/02/2025.

The charity will be dissolved unless Fairlight Parish Council wishes for it to continue with them becoming trustees with a decision date by the end of the year.

The Charity has raised zero monies for this project. However £40.00 was received as a gesture of good will by Lloyds Bank for delay in account opening. £21.00 has been spent on a hall meeting charge leaving a £19.00 balance. This will be dispersed to a local charity on cancelation of the account.
