

Guilfield Community Centre CIO

Annual Accounts & Trustees Report - Year 2024 to 2025

Prepared by Malcolm R Graham - Trustee Secretary

The Guilfield Community Centre CIO, Charity Number 1206938 was created in order to incorporate the activities of Guilfield Community Centre Trust, Charity Number 1059979. In addition to that to take ownership and responsibility of certain assets and leases that required a new structure by the Charity Commission.

This process is ongoing and far from complete due to certain legal aspects and in the hands of specialist legal advisers. The Guilfield Community Centre CIO does not therefore currently contain any assets nor has it undertaken any financial transactions of any sort.

The same Trustees are also Trustees of the Guilfield Community Centre Trust, Charity Number 1059979. A full, up to date report and accounts are reported for this period through that charity.

It is anticipated that these matters will be resolved in early 2026.

Yours sincerely
