Achievements and performance

Summary of the main achievements of the charity during the year

The charity received £2000 funds from Answer Cancer to raise cancer awareness in the community. Four successful events were organised targeting NHS cancer screening programmes for breast, bowel and cervical cancer. We also included prostate cancer talks.

The events were highly successful, and the attendees changed their approach to seeking the resources for early diagnosis and treatment.

No of individuals including committee members got training for cancer awareness to become cancer champions.

The health check conducted identified unknown kidney problems, blood pressure, diabetes and high cholesterol. The performance feedback was overwhelmingly excellent for all the events. We are now requested to carry out more such events.
