	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	The purposes of the charity are to relieve the needs of children and young people aged 8–18 with special educational needs and/or disabilities by providing educational sessions and activities to supplement their school learning, and by providing support, resources and reviews to schools and other educational institutions in England and Wales to help them meet the needs of pupils with special educational needs and/or disabilities.

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	At the end of the reporting period the charity held no funds and had a nil bank balance. During the period the trustees took steps to establish the charity's financial infrastructure, including making applications to open charity bank accounts, which had not been finalised by the period end.
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	As the charity was in its start-up phase during the period, the trustees had not yet formally considered or adopted a reserves policy. The trustees intend to review and agree an appropriate reserves policy once the charity has begun delivering activities and generating income.
Amount of reserves held	Para 1.22	At the end of the reporting period the charity held £0 in reserves.
Reasons for holding zero reserves	Para 1.22	The charity held no reserves at the period end as it was in its first year of operation and did not receive income during the period. The trustees expect reserves to be built in future periods as charitable activities commence and funding is secured.
Details of fund materially in deficit	Para 1.24	Not applicable. The charity did not hold any funds that were materially in deficit at the end of the reporting period.
Explanation of any uncertainties about the charity continuing as a going concern	Para 1.23	The trustees have considered the charity's financial position and future plans and are satisfied that the charity is a going concern. While the charity did not receive income during the period, the trustees are actively seeking funding and expect the charity to commence charitable activities in the next financial year. No material uncertainties have been identified that would cast significant doubt on the charity's ability to continue as a going concern.
