Section B Structure, governance and management

Description of the charity's trusts

Type of governing document (eg. trust deed, constitution)	Constitution - dated 08.02.2024
How the charity is constituted (eg. trust, association, company)	Charitable Incorporated Organisation with voting members other than its charity trustees
Trustee selection methods (eg. appointed by, elected by)	Elected from membership

Additional governance issues (Optional information)

You **may choose** to include additional information, where relevant, about:

- policies and procedures adopted for the induction and training of trustees;
- the charity's organisational structure and any wider network with which the charity works;
- relationship with any related parties;
- trustees' consideration of major risks and the system and procedures to manage them.

--

Summary of the objects of the charity set out in its governing document

For the public benefit, to promote the conservation, protection and improvement of the physical and natural environment of the Strettons and their surrounding area by promoting biodiversity, in particular, but not exclusively by:

- acquiring, leasing and managing land containing diverse connected habitats rich in plants, trees and wildlife;
- maintaining and monitoring the site for the purpose of promoting biodiversity;
- and, facilitating public access to the site.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

With the help of volunteers we have:

- Improved public access at our Watling Street kissing gate; where there was a slippery slope there are now steps.
- Improved public access at kissing gates by adding hardcore to improve traction underfoot.
- Installed interpretation boards at the main entrance and by the pond to aid visitors' understanding of High Leasowes.
- Installed 4 benches so that people can enjoy the meadows, views and birdsong.
- Conducted guided walks to encourage people to understand our management and the need to protect nature.

Together with our volunteers we have worked to encourage biodiversity through our management of High Leasowes, including:

- Adding a pond to create new habitat for water-dwelling creatures.
- Hedgerow restoration including hedge laying and replanting gaps and adding hedgerow trees.
- Creating dead-hedges, which tidies away the brash whilst providing cover and habitat for a wide range of species.
- Tree planting.
- Cutting the meadows late, thereby enabling more flowers to set seed, which will help floral diversity.
- Sowing locally-gathered native seed such as yellow rattle, which reduces the vigour of the coarser grasses thereby allowing more flowers to thrive.
- Installing 34 bird boxes, and surveying their use.

The Trustees of The High Leasowes Trust have complied with the duty in section 4 of the Charity Act 2006 to have due regard to the guidance on public benefit published by the Commission in exercising their powers or duty.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Summary of the main achievements of the charity during the year

Almost 500 volunteer hours have been worked by our local community, including staff from Agilent of Church Stretton and iDEA of Longnor, and participants in Shropshire Wild Teams.

We have worked effectively in partnership with local organisations such as the Parish Paths Partnership, Shropshire Wild Teams, Shropshire Wildlife Trust and the National Trust.

We have renovated 50m of existing hedgerow and laid a further 30m of hedge.

We have planted 250 trees; this will help to combat the increasing carbon in our atmosphere, while providing shade, improving air quality and creating an attractive woodland edge.

All of our work has created opportunities for community engagement, through volunteering.

Section E

Financial review

Brief statement of the charity's policy on reserves

No reserves policy.

Details of any funds materially in deficit

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

Prior to the establishment of The High Leasowes Trust (THLT) and our bank account becoming active, tools and equipment were purchased using money held in a ring-fenced account for THLT by Middle Marches Community Land Trust (MMCLT). This is not included in the expenditure shown in form CC16a.

When THLT had an active bank account MMCLT transferred half of the ring-fenced funds to THLT in January 2025; all subsequent expenses were paid from THLT's account and are shown in the financial report.

Section F

Other optional information

Section G

Declaration

The trustees declare that they have approved the trustees' report above.

Signed on behalf of the charity's trustees

Signature(s)
