Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

The objects of the CIO are to identify and promote projects and services which will improve the health and wellbeing of the communities and residents of Bawtry and Austerfield:

- # To apply for, and manage, sources of funding to improve the health and wellbeing of the Bawtry and Austerfield communities and residents.
- # To identify which services already exist and to assess gaps and how to provide for them.
- # To make sure that these services are accessible; and to identify

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

<p>hubs to connect residents to providers and providers to residents. # To liaise with City of Doncaster Council (CDC) Health and Wellbeing officers and become aware of any services residents may access. # To use these connections to signpost residents where appropriate.</p>
<p>Lorna Bagilhole was appointed as the BAWP Community Connector in June 2022. Rachael Blake (one of the Bawtry Ward Councillors at Doncaster Council) was the inspiration behind the creation of BAWP. Lorna worked over and above her very limited part-time paid role to get the Project off to a great start. She operated under the direction of the initial four committee members of BAWP. Bawtry Town Council generously agreed to fund Lorna's role during her final twelve months in 2024.</p> <p>With advice from Rachael Blake, the committee worked with Voluntary Action Doncaster (VAD) to apply for BAWP to become a Charitable Incorporated Organisation (CIO). Even with this advice and support, this process took much longer than was expected.</p> <p>We were encouraged when BAWP was eventually registered as a CIO in March 2024. This facilitated the opening of a BAWP bank account and allowed applications for financial support to be submitted to a greater range of trusts and other charitable funders.</p> <p>Three members of the committee became the initial trustees of the charity - Alison Schofield, Sue Rose and Ivor Greer. Unfortunately, Joan Beck, to whom we are indebted for having directed the work and who chaired the committee for almost two years leading up to its registration as a Charity. Joan was unable to become a trustee of the CIO because of her illness and untimely death in February 2024. As the Project developed, we owed much to Joan's experience and wisdom (from her many years as the director of Adult Social Care for Doncaster Council). We are seeking to recruit new trustees.</p> <p>Much has been achieved in 2023 and 2024 for the public benefit of the residents and communities of Bawtry and Austerfield. This included developments at the Mosaic Trust (a former quarry and open space in Austerfield) providing funding for notice boards and clearly marked paths. Improvements were funded for St Nicholas Church Hall and Bawtry Town Hall - both of which are well used by local community groups. Support was provided for pre-school reading groups and some "tea & tech" courses at Bawtry Community Library.</p> <p>..</p>

Section D

Achievements and performance

Section D

Achievements and performance

Summary of the main achievements of the charity during the year

We have developed and coordinated a webpage called “Your BAWP” with details of the various clubs, societies and community activities which operate in Bawtry and Austerfield. A hard copy of this resource was available in Bawtry Community Library.

Another activity involved researching “walk confident” routes and encouraging older folk to walk and enjoy the community. Leaflets promoting these walks have been produced.

We have worked with the local Mayflower School to arrange and fund activities to “reach across generations”. These were much appreciated by older residents and the children at school. A booklet was produced with “testimonies” bridging the generations.

We have developed a Community Allotment – called Gilbert’s Garden. This is on a plot made available by Bawtry Town Council and funded by a grant from Doncaster Council’s Environmental Pride programme. Several of the volunteers have said how much their involvement helped with mental stress.

There has been a weekly Men’s Club with a reach of about 12 men (not all at the same time). Activities have included for chatting, listening to speakers and doing various practical tasks at the Bawtry Town Hall. A programme of projects to improve appearances of key features of the community has been drawn up.

Section E

Financial review

Brief statement of the charity's policy on reserves

We do not have a reserves policy.
We operate on the basis of funds provided and have very low overheads.

Details of any funds materially in deficit

None

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.
