Structure, Governance and Management

The charity is a charitable incorporated organisation (CIO) and was registered on 19 March 2024 and it is governed by a constitution dated 23 January 2024.

Trustees

There must be at least three charities trustees. If the number of trustees falls below this minimum, the remaining trustee or trustees may act only to call a meeting of the charity trustees or appoint a new trustee.

Risk Management

The trustees consider the risks which the charity is exposed to and put in place measures to mitigate against those risks.

The main objectives of the charity are evangelism, health, education and vocational ministry.

Evangelism

The core ministry of Trainthem2Fish is that of evangelism and Health Outreach in the designated countries. We are passionate about spreading the love of God and spreading the good news of salvation to the rest of the world.

Health

This charity aims to provide training community members in basic health and medical services by providing basic health and medical education and providing opportunities for medical projects with our partners.

Education and Vocational Ministry

This charity aims to train our community members, both educationally and vocationally, to be more self-sufficient, especially in the skills of sewing, small-business manufacturing, handicrafts and antiques production, cleaning and laundry services, hairdressing and barber services, carpentry, construction, electrical repair, auto mechanics, computer development, English-language training services, communication/internet services, and even transportation services. Such opportunities, provided to our target communities, will increase the quality of

their daily livelihoods. We wish to maintain a specific focus on orphans, street children, widows, seniors, homeless/displaced individuals, and those individuals with disabilities.

Key activities and achievements

Evangelistic and Medical Mission in Uganda

Between 18th June and 7th July 2024, the trustees and volunteers of Train Them 2 Fish UK traveled to Uganda to deliver Christian evangelistic and health campaigns. The charity also shared evangelistic literature.

Ina addition, the charity assisted in special projects in orphanages such as dental and eye treatments for impoverished people in the communities. It also purchased medication for the treatment of chronic health conditions such diabetes and hypertension and the treatment of infectious diseases like malaria.

Financial Review

Reserves Policy

The charity aims to retain reserves equivalent to approximately 6 months of overheads. The charity did not have any overheads during the return period.

Financial Performance

The charity reported a net income of £4,700 and was held in cash.

Going Concern

The trustees are satisfied that the financial position is strong and look forward to another year of evangelistic and health campaign.

The trustees declare that they have approved the trustees' report above.
