Activities and achievements

Oxygen C&C primarily supports Ukrainian refugees and their families in the UK and Europe. The charity helps Ukrainians adapt to life in the United Kingdom, build relationships with God, improve mental health, spirituality and wellbeing, and find community support.

Key activities during the year included:

- Oxycamp – a camp for Ukrainian children and teenagers

- Children’s events and regular church services

During the year, 180 children attended Oxycamp. Two Brave Guys camps were delivered, and church services were attended by approximately 30–35 people each Sunday.

Financial review

The charity’s income was derived mainly from donations and Oxycamp-related income. Expenditure was focused on camps, children’s and teenagers’ projects, church maintenance, education activities and leadership team development.

There was no surplus or deficit reported for the year. The charity does not currently have a formal reserves policy. Reserves at the end of the year amounted to approximately £8,000.

Risk management

The trustees actively review the risks faced by the charity and have policies and procedures in place to manage these risks, including safeguarding and risk management policies.

Plans for future periods

In the coming year, the charity plans to continue and develop its camps, children’s and youth activities, church services and support programmes for Ukrainian refugees, while strengthening organisational capacity.
