

CHARITY COMMISSION FOR ENGLAND AND WALES

Subject: Annual Report and accounts for 25/03/2024 - 25/04/2025

Dear CHARITY COMMISSION FOR ENGLAND AND WALES

YMESSDF are currently working to finalise the necessary administrative procedures and documentation required by Lloyds Bank. We are in regular contact with the relevant authorities at Lloyds Bank to finalise the process and establish a Business Bank Account under the name of our charity, 'Yesus Menna Educational and Support Service for The Deaf Foundation' (YMESSDF).

However, it took considerable time to complete the process. As a result, YMESSDF are unable to collect funds for the charity's annual return for 25/03/2024 - 25/04/2025, and our records of gross income and spending for the financial period are Nil.

This situation directly impacts our ability to carry out our activities, as the collection of funds is essential for the operation and support of charitable initiatives.

Hence, once the account is opened, YMESSDF will immediately commence fundraising activities and ensure all donations are managed in accordance with regulatory guidelines.

Therefore, YMESSDF appreciate your understanding and patience as we address these initial organisational requirements to enable the charity's effective operation.

Many Thanks

Best Regards
