3. We have a regular community of volunteers up to 20 local people. This group benefit from seed and seedling swaps, as well as sharing knowledge. Group members report feeling an improved sense of community and social support, with other social groups being created as a result, therefore improving the conditions of life of these local people.
4. The orchard was discussed at a Fenland District Council Committee Meeting and while it was not approved as the land identified is instead to be used for a skate park, we are continuing to explore other areas of land as potential sites for the orchard.
