From: 12 April 2024 Period start date To: 11 March 2025 Period end date

Charity name: River of Mercy Relief Foundation

Charity registration number: 1207824

Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	The purpose of River of Mercy Relief Foundation is the prevention or relief of poverty, primarily but not exclusively in Pakistan by providing grants, items and services to individuals in need and/or charities, or other organisations working to prevent or relieve poverty.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	During the reporting period, which was the first since registration, the trustees' efforts were focussed on opening a bank account which would enable the collection of donations which they expect to make up the majority of income. Since the opening of the bank account, donations have been received as shown in the accompanying accounts. These include some regular and one-off donations to be allocated to projects once established that align with the charity's purposes.
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	The Trustees accept their responsibility to have due regards to the public benefit guidance as published by the Charity Commission and give assurances it is operating for the public benefit. Furthermore, the Trustees confirm they are acting in the interest of the charity and not for any private gain.

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	During this initial reporting period, the charity has been able to spread awareness of the levels of poverty in the area it will primarily be active within. This information is key to establishing relationships with donors who will be the foundation for the charity to carry out its purposes and achieve its aims. This led to some donations being received, predominantly by communicating the purposes of the charity by word of mouth amongst peers and personal circles. The trustees have worked on avenues to reach potential donors outside of these circles, by scoping opportunities on building an online presence so information about the charity and its purposes can be found in an easy and accessible way.
