The law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP (FRS 102);
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees present their report and financial statements for the year ended 31 March 2025.

The accounts have been prepared in accordance with the accounting policies and comply with the Charity's governing document, the Charities Act 2011 and the Statement of Recommended Practice (SORP (FRS 102)), effective 1 January 2019 (as amended by subsequent updates).
