The Object of the charity is for the public benefit, the advancement of the Christian faith in accordance with the Statement of Faith in such ways as the Charity Trustees may from time to time decide.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

The Trustees have considered the Charity Commission’s guidance on public benefit, and particularly the specific guidance on charities for the advancement of religion. We try to enable ordinary people in our community and neighbouring boroughs, from any denomination and background, to live out their faith through worship and prayer, Bible study, missionary and outreach work. Our church also aims to provide pastoral care to people in the community and reach out to those who are in need, sick or homeless.
