Summary of the main achievements of the charity during the year

Our Church trustees serve as the administrative, legal, and financial stewards of our congregation, responsible for maintaining property, and ensuring regulatory compliance so that spiritual leaders can focus on ministry. Their performance is measured by their ability to maintain safety, ensure financial transparency, and support the church's mission through sound asset management.

Key Responsibilities and Performance Areas

- **Property & Asset Management:** Trustees oversee, maintain, and supervise all church property, equipment, and vehicles. This includes conducting safety, fire, and health procedures (e.g., boiler checks, fire drills).
- **Financial Stewardship:** They manage funds, approve budgets, and ensure proper investment of trust funds. They are responsible for keeping proper accounting records to ensure transparency.
- **Legal & Regulatory Compliance:** Trustees ensure the church adheres to legal requirements, such as maintaining up-to-date articles of incorporation and ensuring adequate insurance coverage.
- **Risk Management:** They develop and implement policies to protect people and assets from harm.
- **Administrative Oversight:** They support church staff, manage building usage agreements, and assist in long-term strategic planning.

Trustee Achievements

- **Infrastructure Improvements:** Successfully completing building renovations, such as repairing sanctuary flooring, replacing roofing, or upgrading heating systems.
- **Financial Sustainability:** Establishing or maintaining adequate cash reserves (often targeting 6 months of expenditure) and managing tithes and offerings during, or recovering from, periods of decreased income.
- **Safety & Compliance Upgrades:** Reviewing and updating health and safety procedures, conducting annual fire and gas safety tests, and improving building accessibility.
- **Operational Growth:** Supporting the launch of new ministries, such as, for example, opening a children's toddler club, managing a food ministry for the homeless, or starting a community cafe. Trustees Performance
- **Proactive Maintenance:** Moving from reactive repairs to proactive maintenance schedules.
- **Strategic Planning:** Actively participating in long-range planning, not just daily administration.
- **Collaboration:** Working effectively with pastors and the church council to align resources with the church's vision.
- **Transparency:** Providing regular, clear financial reporting to the congregation.

Section E

Financial review
