Trustees' Annual Report and Accounts for Freedom Friday Campaign

This Annual Report and Accounts covers the period from 29th May 2024 (when the charity was registered) to 5th April 2025.

Unpaid work was undertaken by some trustees, contacting a range of organisations to ask if they would back a future public campaign on the issue of violence against women and girls.

The charity had no assets, no income and no expenditure. No financial transactions took place.

A handwritten signature in black ink that reads "Kevin Steele". The signature is written in a cursive, slightly slanted style.
