Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	To relieve the needs of young people affected by cancer for the public benefit by providing facilities for playing football and care packages for those undergoing or who have undergone treatment in hospital.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	WCKI provides public benefit by using inclusive football activity camps to improve physical health, mental wellbeing, and social inclusion to children and young adults impacted by cancer, for free. Activities at these sessions promote exercise, confidence, peer support, and teamwork, helping reduce isolation, improve physical and mental wellbeing, and strengthen community cohesion. Feedback from parents is that children benefit significantly from the sessions and keenly await future sessions.
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	The purpose of the charity is to provide a benefit to a small section of the public; children affected by cancer, irrespective of whether it is a child itself or a close family member, through the power of football. We use football coaching / camps as a means to help children and young adults recover, both physically and mentally, from the trauma of cancer and help them realise that others are similarly impacted, regain confidence in themselves and their abilities..

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	This is the first year of WCKI's existence and a lot of effort has been spent understanding the legal side of organising a charity and how it has to operate; getting WCKI registered with the Charity Commission and HMRC for Gift Aid. That apart we have been preparing for some football clinics (training sessions / camps) for youngsters affected by cancer at Stevenage FC and Powerleague Milton Keynes -a provider of sporting facilities for various events and training sessions centred around ball based sports. On the fund raising side some Trustees and friends elected to undertake a 40 mile walk between the 7 London based Premier League football stadiums on February 4th, World Cancer Day, to raise funds for WCKI – codenamed WCKI WALK. The Justgiving funds raised in January represent the start of the donations ahead of the WCKI WALK. A fundraising golf day is also being considered for August at Letchworth Golf Club. No football training sessions / camps were held in the period of this annual return but preparations were well underway for the first event at Stevenage FC football ground in April.

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	The charity has currently raised £7,287 out of a planned £10k through a Justgiving page related to the planned WCKI WALK on Feb 4th. This should be sufficient to cover the cost of the currently planned football coaching sessions / camps in 2025 plus the procurement of some capital sports equipment that will be used on a recurring basis at future training camps.
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	The charity plans to hold a number of free football coaching events / camps throughout the year. Each one is expected to cost in the region of £1,500 to £2,000
Amount of reserves held	Para 1.22	WCKI does not plan to hold reserves.
Reasons for holding zero reserves	Para 1.22	WCKI does not have to pay membership or recurring fees to any organisation to support the work that it does therefore currently it does not plan to hold reserves. As mentioned each camp is expected to cost around £1,500 to £2,000 and current cash holdings should be sufficient to cover the projected costs of events planned for 2025/26.
Details of fund materially in deficit	Para 1.24	None
Explanation of any uncertainties about the charity continuing as a going concern	Para 1.23	There are currently no uncertainties about the charity as a going concern. Thanks to the current level of donations in response to the WCKI WALK planned for early February we have sufficient funds to cover the expected costs for 2025 coaching sessions / football camps.

The charity's principal sources of funds (including any fundraising)	Para 1.47	Fundraising through events such as the WCKI WALK and possibly the London Marathon are seen as principle means of raising funds. Donations from individuals or sponsorship from England Football league teams are also possibilities but those relationships need to be established and developed.
Investment policy and objectives including any social investment policy adopted	Para 1.46	Not applicable

A description of the principal risks facing the charity	Para 1.46	• We over extend ourselves during these first few years when we are still learning how to manage the charity and the football events that we run and as a result over promise and under deliver. • As fundraising is seen as our principle means of income it is important that we only consider providing activity sessions when we have sufficient funds to cover the foreseen cost of the planned events. If we do not have sufficient funds then the event will not take place. We do not plan to go into the red financially. • We become too successful, attracting more children than we can efficiently manage to a session and we cannot attract enough trainers of the right calibre to support those sessions.
