End Time Soldiers Power Ministry

1. Administrative Information

Church Name: End Time Soldiers Power Ministry

Main Focus: Evangelism, Discipleship, and Community Support

2. Structure, Governance, and Management

The Ministry is managed by the leadership team, dedicated to the spiritual growth and administrative advancement of the church. Our focus remains on training and encouraging more workers to support the rapid expansion of the ministry.

3. Objectives and Activities

The main objective of End Time Soldiers Power Ministry is to advance the Christian faith through:

- Soul Winning: Continuous evangelism and spreading the Word of God.
- Equipping the Body: Providing Bible studies and prayer ministry to strengthen the faith of our members.
- Pastoral Care: Offering Godly counseling and spiritual advice to those who request it, helping them navigate life's challenges through biblical principles.

- Youth Engagement: Providing practical skills training, such as our successful program teaching local youth to play the piano/keyboard.

4. Achievements and Performance: Review of the Past Year

During the last year, the church successfully focused on:

- Evangelism: Winning many souls for Christ and expanding our reach.

- Infrastructure: Building new church locations to accommodate our growing congregation.

- Community Building: Hosting cultural fellowship gatherings where we shared food from different cultures, celebrating our diversity and unity in Christ.

5. Future Plans: Focus for the Current Year

Moving forward, our strategic priorities include:

- Youth Crusades: Organizing major events and crusades specifically designed to reach and win the youth for Christ.

- The Long Walk: Actively participating in community outreach events like the "Long Walk" to support those in need and share the Gospel.

- Worker Training: Intensifying the training of church workers to ensure the ministry has the leadership needed for continued growth and advancement.
