3. Objectives and activities

The BAPU Foundation was established in 2024 to champion community care for vulnerable elderly people who live in a constrained environment around the world by improving their mental and physical health. We focus on the most vulnerable seniors—those without support, in poor health, or facing isolation—and empower them to age with dignity, connection, and purpose. Through strategic partnerships, innovation, and deep cultural understanding, we aspire to deliver holistic care solutions that include safe housing, social inclusion, cognitive health, and long-term policy change.

4. Achievements and performance

During the financial year 2024–2025, BAPU Foundation received its first donation of £1,003. The charity focused on strengthening its governance, refining its goals and objectives, and exploring potential programs and initiatives aligned with its mission to support vulnerable elderly individuals.
