River Music

Annual report to April 2025

We are a newly registered UK charity, founded by a team with over 15 years of experience in artistic development, youth mentoring and music education. Our mission is to create inclusive, accessible pathways into music-making for people of all backgrounds - especially those facing systemic barriers to creative opportunities. River Music is a charitable arm of the well-established organisation River Studios with its recording studios on offer. The past year has concentrated on recruiting trustees and researching grants and trusts. There are no accounts to submit for this year.
