## Activities

---

**Objects:** For the public benefit the relief of adults and children displaced by conflict or natural or man-made disaster and with medically recognised limb difference, or amputation, or other injury, who are unable to afford or access specialist prosthetics and orthotics, specialist equipment and related services such as rehabilitation, by providing payment to specialist prosthetic & orthotic centres to purchase such items and services.

**Activities:** We are a scientific & research charity that provides the gold standard in interdisciplinary care for the rehabilitation of complex blast injury that causes amputation, nerve, brain or spinal injury. We do this by providing prosthetic & orthotic workflows and a specialised Physical, Medical & Rehabilitation assessment that enables affective care.
