Report of the Trustees

The Charity was registered as a CIO on 17 July 2024.

The Charity has conducted its activities through 2024 and had a successful period ending on 31 March 2025.

Funds raised during this period came to £10,188 and of this £3,384 was spent on food and toiletries to support the charitable activities.

Accumulated funds at the end of the period available for future charitable activities stood at £6,683.

In 2024 we supported 15 families in need based at one local school in Ealing. As a result of successful fundraising and food donations in kind we were able to expand our activities so that towards the end of the period we were supporting 30 families in need from 2 Ealing schools.

We have maintained our activities into the new financial year and look forward to grow the base of our donors so we can support even more families.

The Accounts and Report were approved by the Trustees on 16 February 2026.
