Interest and Charges

Your Business Banking Terms & Conditions cover how and when we apply interest and charges.

Details of our charges are available in our Business Price List or your individual price list if we've agreed one with you. Details of the debit interest we charge and credit interest we pay are available from our website – see Additional Information below. None of our business current accounts pays interest when in credit unless we individually agree a rate with you.

Overdrafts

Arranged overdraft:

This is where we agree in advance to provide an overdraft limit on your account before you make any transactions that take your account overdrawn, or over your existing arranged overdraft limit. Interest rates are individually agreed and will apply until otherwise agreed or the overdraft is cancelled. Rates are linked to the Bank of England base rate but if the base rate falls below zero, we'll treat it as zero.

For details of our fees and charges, please refer to your Business Overdraft agreement.

Unarranged overdraft:

This is where you make a payment or we take an amount from your account and you don't have enough money in the account to cover it or it exceeds your existing arranged overdraft limit. When you don't have an arranged overdraft limit, we'll charge our Business Standard Debit Interest Rate on any debit balances. When you have an existing arranged overdraft and go over its limit, we'll charge interest at the rate we've agreed with up to your arranged overdraft limit and will charge our Business Standard Debit Interest Rate on any balance over your arranged overdraft limit.

For information on our debit interest rates, see Additional Information below.

Your debit card

For debit card charges, please refer to the Business Price List. This details the standard charges for our business accounts, but doesn't apply if we've agreed different prices with you. For information about how foreign currency transactions are converted to sterling, please refer to the Business Banking Terms & Conditions.
