Through the generosity of our donors, we successfully translated charitable contributions into practical, life-changing support for thousands of beneficiaries.

To achieve our objective of improving access to clean water, we funded and installed small hand pumps, large communal hand pumps, motor pumps and water filtration plants, providing families and entire communities with reliable access to safe drinking water.

To reduce hunger and support vulnerable families, we distributed monthly food parcels, organised community iftaars throughout Ramadan, delivered Eid food parcels, provided warm cooked meals, and carried out our annual Qurbani meat distribution, ensuring families were able to celebrate Eid with dignity.

To improve health and wellbeing, we funded eye cataract surgeries, Individuals suffering from preventable blindness, while also providing wheelchairs to surgeries, restoring sight to those with limited mobility, helping them regain independence.

We continued our commitment to education by distributing school stationery packs, helping children begin their education with the essential materials needed to learn.

Recognising that long-term poverty cannot be addressed through emergency aid alone, we invested in livelihood projects, including sewing machines and fruit and vegetable carts, enabling beneficiaries to generate sustainable incomes and support their families with dignity.

Statement of Trustees' Responsibilities

The trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing the financial statements the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgments and accounting estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping adequate accounting records which disclose with reasonable accuracy at anytime the financial position of the charity and to enable them to ensure that the accounts comply with the Charities Act 2011, the Charities (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
