CHAIRMAN'S STATEMENT:

Having been appointed as a trustee during the start up and, what transpired to be, a transitional period, the information in this statement has been collated for submission between current and former board members.

Activities in Laurel's Theatre CIO didn't get underway until after the period that this statement and return covers, with the bank account not being opened until April 2025, hence the lack of data across the various sections.

Signed:

Date: 30th January 2026
