- relationship with any related parties;
- trustees' consideration of major risks and the system and procedures to manage them.

--

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

The objects of the CIO are:

For the benefit of the public to relieve the suffering of street animals in Uzumlu, Mugla, Turkey by:

- supporting the Turkish charity, PAWS Uzumlu, in the delivery of services that support our Objects including costs associated with

appropriate medical treatment from qualified professionals.

- ensuring vaccination of street animals against debilitating and deadly diseases and preventing parasites such as ticks, fleas and worms by administering suitable treatments,
- ensuring appropriate care, protection and treatment for the animals of Uzumlu which are in need of care and attention by reason of sickness, maltreatment or vulnerability,
- advocating for Turkey's Animal Protection Law No 5199, which gives street animals the right to roam and exist peacefully,
- promoting the education of humane behaviour towards street animals in Uzumlu,
- limiting breeding among street dogs and cats in Uzumlu by facilitating neutering/sterilising and by raising awareness of the importance of neutering and guiding people towards suitable resources.
- Supporting fostering and potentially relocation of street animals for which this will improve their quality of life.

The trustees have, and will continue to have, due regard to the guidance on public benefit issued by the Charities Commission.

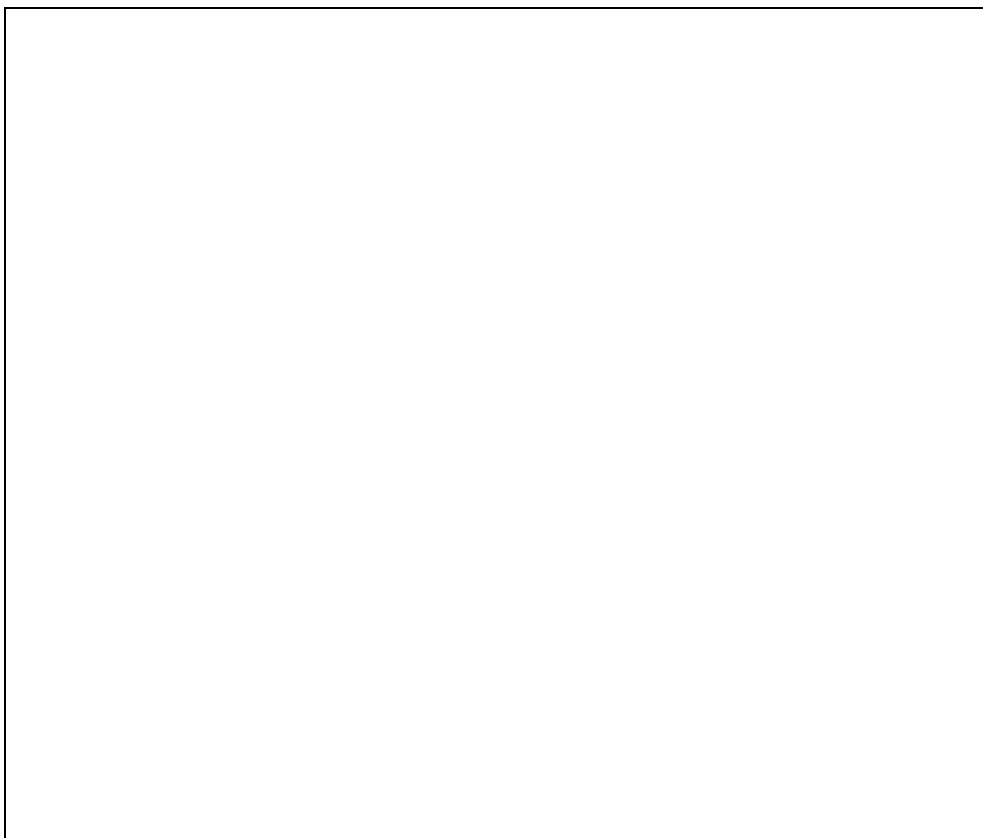

The main activity undertaken is fundraising in order to

- Pay the regular costs of fostering a number of dogs in turkey
- Support the local Turkish charity, PAWS Uzumlu. During the period we have provided funding of almost £6000.
- Maintain a reserve to directly fund costs for both dogs and cats that the Turkish charity look after. The reserve is to be used in the event that the Turkish charity ceases operations.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Section D

Achievements and performance

Summary of the main achievements of the charity during the year

The key achievement during the period has been the successful setting up and operation of the charity itself. And, during the year we have raised almost £10,000 to support local street animals. The trustees view this as a success in our first year and in a challenging economic environment. In addition, we have received approval by HMRC to reclaim Gift Aid.

We have been able to provide funds of almost £6000 to deliver our objectives and public benefit of supporting Uzumlu's street animals. We have done this mainly by providing direct grants to the Turkish charity, PAWS Uzumlu and by directly funding foster fees for some dogs.

Section E Financial review

Brief statement of the charity's policy on reserves

It is the charity's policy to build and maintain a reserve to directly fund costs for both dogs and cats that the Turkish charity look after. The reserve is to be used in the event that the Turkish charity ceases operations. The desired reserve is equivalent to 6 months' costs of looking after dogs and cats that the Turkish charity looks after. This cost will rise significantly due to rampant Turkish inflation.

Details of any funds materially in deficit

There is no deficit

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

The charity's principal sources of funds are almost entirely made up of donations, both one-off and regular, and individual sponsoring of dogs or cats.

All of our expenditure is for the sole purpose of achieving our key objectives, namely caring for the street animals of Uzumlu.

We make no investments, save for an interest-bearing savings account.
