Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	Hold The Drama's touring work has enabled young people (and their communities) who experience low arts provision to access high quality live music and theatre within their own surroundings. The format of Hold The Drama's shows means that these audiences have discussed, engaged with and related the performances to their everyday lives. The subject matter of Hold The Drama's shows has enabled topics of social issues and mental health to be discussed openly. - Hold The Drama's teacher resource kits and CPD sessions have meant that legacy work can continue in schools and communities - up-skilling teachers in a new way of working and providing accessible resources which build on the live arts experience of a Hold The Drama show. - Strengthening and growing Hold The Drama's capacity to deliver shows by training new deputy musicians thus expanding the team and the charity's reach.

Note 25 Fair value of assets and liabilities

	This year	Last year
25.1 Please provide details of the charity’s exposure to credit risk (the risk of incurring a loss due to a debtor not paying what is owed) , liquidity risk (the risk of not being able to meet short term financial demands) and market risk (the risk that the value of an investment will fall due to changes in the market) arising from financial instruments to which the charity is exposed at the end of the reporting period and explain how the charity manages those risks.	Most grant funding is received in advance of any spend on the project. Final payment, made towards end of project, is small (could be 2-10% of total grant). Value of deferred income at period end is low & events after the period end give assurance that the project was completed as expected.	
25.2 Please give details of the amount of change in the fair value of basic financial instruments (debtors, creditors, investments (see section 11, FRS 102 SORP)) measured at fair value through the SoFA that is attributable to changes in credit risk.	N/a - first accounting period.

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the **period** ended 05/04/2025.

Responsibilities and basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination (other than that disclosed below *) which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
