

Sweden Community Council

Commentary on the model Trustees' Annual Report and accounts:

Sweden community council

This illustrative example annual report and accounts is for Sweden community Council preparing receipts and payments accounts.

The Sweden community council had an income of £0 in the year and is eligible for independent examination.

As the charity is below the audit threshold it may also prepare a simple annual report.

Since the charity had no bank account, no head office to conduct its activities, and had not received support from any entity, it had not yet carried out any activities or provided its services to the public. Its balance was zero for this fiscal year. This is the current situation, and we hope that conditions will improve so that we can begin providing our services to the public.
