Ensuring Our Work Delivers Our Aims

We review our aims, objectives and activities each year. This review looks at what we achieved and the outcomes of our work in the previous 12 months. The review looks at the success of each key activity and the benefits they have brought to those groups of people we are set up to help. The review also helps us ensure our aim, objectives and activities remained focused on our stated purposes. We have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing our aim and objectives and in planning our future activities. In particular, the trustees consider how planned activities will contribute to the aims and objectives they have set.

The Focus of Our Work

Our main objectives for the year continued to be the advancement of the Christian faith worldwide and the relieve of poverty and sickness. The policy of the RCCG Salvation House Didcot is to pursue objectives in the following ways:

Development and Achievements in the Period

The charity's events were properly managed, executed and reviewed for its impact on members. Our charity continues to grow in Sunday morning attendance, youth and children's ministry. We minister to the physical, mental and spiritual needs of our members and new comers in our midst. We have helped relief poverty and hardship amongst both regular and irregular congregants who are suffering from financial hardship due to unemployment and lack of financial resources.

Financial Review

The charity was able to raise a total income of £57,956 during the year under.

Principal Funding Sources

The principal funding sources for the charity are currently by way of donations and gifts from congregants through the offering basket passed during church services and through standing orders etc.

Investment Policy

The Charity retains a significant amount in cash at the bank. The charity currently has a policy of keeping any surplus liquid funds in cash at banks where immediate access and security of funds is guaranteed.

Reserves Policy

It is the policy of the charity to maintain unrestricted funds which are the free reserves of the charity at a level which equates to at least 3 months of unrestricted expenditure. This provides sufficient funds to cover management and administration and support costs and to respond to emergencies which may arise from time to time. The trustees have set this as a target, and are satisfied that the church is in a position to meet its financial obligations, fund its activities and continue to grow.

Plans for Future Periods

In the near future, the charity plans to expand its operations and will continue our drive towards providing more benefits to our community. The Charity plans continuing the activities outlined above in forthcoming years subject to satisfactory funding arrangements.

Trustees ' Responsibilities

Charity Law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable trust as at the balance sheet date and of its incoming resources and applications of resources, including income and expenditure, for the financial year. In preparing those financial statements the Trustees should follow best practice and

Select suitable accounting policies and then apply them consistently;

Make judgements and estimates that are reasonable and prudent

Prepare the financial statements on going concern basis unless it is inappropriate to presume that the charity will continue in operation

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statement comply with the Companies Act 2006 and Charities Act 2011. They are also responsible for the safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Respective responsibilities of trustees and examiner

The Trustees are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year (under section 144 of the Charities Act 2011 (The 2011 Act) and that an independent examination is needed.

to state whether particular matters have come to my attention

Basis of Independent examiners statement

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a "true and fair" view and the report is limited to those matters set out in the statement below:

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

(1) which gives us reasonable cause to believe that in any material respect the requirements:

Notes forming part of the financial statements for the Year ended 31 July 2025

1. Accounting Policies

The principal accounting policies are summarised below. The accounting policies have been applied consistently throughout the year and in the preceding year.

(a) Basis of Accounting

The financial statements have been prepared under the historical cost convention, as modified by the inclusion of fixed assets investments at market value, and in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities issued in 1 January 2015.

(b) Fund Accounting

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity. Unrestricted funds include a revaluation reserve representing the restatement of investment assets at market values.

Designated funds are unrestricted funds earmarked by the Trustees for particular purposes.

Restricted funds are subjected to restrictions on their expenditure imposed by the donor or through the terms of an appeal.

(c) Incoming Resources

All incoming resources are included in the statement of financial activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income:

Voluntary income is received by way of grants, donations and gifts and is included in full in the Statement of Financial Activities when receivable. Grants, where entitlement is not conditional on the delivery of a specific performance by the charity, are recognised when the charity becomes unconditionally entitled to the grant.

Donated services and facilities are included at the value to the charity where this can be quantified. The value of services provided by volunteers has not been included in these accounts.

Invested income is included when receivable.

Incoming resources from charitable trading activity are accounted for when earned.

Incoming resources from grants, where related to performance and specific deliverables, are accounted for as the charity earns the right to consideration by its performance.

(d) Resources expended

Expenditure is recognised on an accrual basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates:

Costs of generating funds comprise the costs associated with attracting voluntary income and the costs of trading for fundraising purposes.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Governance costs include those costs associated with meeting the constitutional and statutory requirements of the charity and include the accountancy fees and costs linked to the strategic management of the charity.

All costs are allocated between the expenditure categories of the SoFA (Statement of Financial Activities) on a basis designed to reflect the use of the resource. Costs relating to a particular activity are allocated directly, others are apportioned on an appropriate basis e.g. floor areas, per capita or estimated usage as set out in Note 4.
