

Trustees' Annual Report

Charity Name: The Cheerful Givers 77

Charity Number: 1210184

Financial Year Ending: 22 July 2025

Objectives

The charity exists to relieve poverty by providing practical support, including hygiene products and food assistance, to children and families in need within the local community.

Activities During the Year

During this financial year, the charity focused on fundraising, organisational development and preparing for future service delivery.

A total income of £3,000 was received through donations and fundraising activities.

Funds were used to purchase initial supplies, supermarket vouchers and operational equipment in preparation for delivering support to beneficiaries in the following financial year.

The charity also began establishing relationships within the community and laying the groundwork for partnerships with local schools.

Financial Review

Total income for the year was £3,000.

Expenditure was primarily on initial supplies, vouchers and operational costs.

The remaining balance was carried forward to support activities in the next financial year.

Future Plans

The charity intends to expand its activities by formally partnering with schools and increasing direct distribution of hygiene and essential items to children and families experiencing poverty.
