The trustees present their report and the financial statements for the period ended 31 October 2025.

Objectives and Activities

Aims and Objectives

The relief of sickness and preservation of health for people suffering from Leiomyosarcoma (a type of rare cancer that grows in smooth muscles) in the United Kingdom, in particular but not exclusively by:

(a) Educating the public, those suffering from Leiomyosarcoma, and others about Leiomyosarcoma and raising awareness of its prevalence, diagnosis, treatment and latest research.
(b) Promoting and supporting research into Leiomyosarcoma and disseminating the useful results for the public benefit.
(c) Providing support forums, information, practical advice and support for people affected by Leiomyosarcoma, their families and friends.

Significant Activities

The main activities of the charity within the reporting period have been the establishment of the Pathfinder Network, which will promote research into Leiomyosarcoma. We have also worked on capacity and infrastructure building for the charity, establishing a website and social media connections.

Public Benefit

The Trustees have had regard to the guidance issued by the Charity Commission on public benefit.

Achievements and Performance

Main Achievements

The LMS Pathfinder Network, was established and met several times in the period. It brings together healthcare professionals from across the UK with an interest in sarcoma. Members include clinicians, biological researchers, nurse practitioners, data scientists, and other specialists. The aim of the network is to promote the sharing of best practice, foster closer collaboration, and support the development of novel and disruptive research and innovations to improve outcomes for patients with sarcoma.
Currently, the network includes representation from all UK Soft Tissue Sarcoma Centres of Excellence.

We developed our communications capacity with patients and have recently updated our website in order to inform and engage and support people whose lives have been affected by Leiomyosarcoma.

Financial Review

Financial Position

The charity received income of £43,036 in the year and had expenses of £2,133, leaving a surplus for the period of £40,903 Our income came only from public fundraising and the Trustees would like to express their sincere thanks to all donors and fundraisers. Given that this was the charity's first period of operation, the Trustees are pleased with the financial position at the end of the period.

Reserves Policy

Unrestricted reserves at the 31 October 2025 were £40,903. This allows the Trustees, while continuing to fundraise, to financially support relevant projects. As a new charity with minimal running costs, we intend initially to ensure we hold free reserves of a minimum of £5,000. Our reserves at the 31 October 2025 were well in excess of this figure, but we anticipate that in the subsequent financial period we will designate or expend funds towards supported projects.

Going Concern

There are no uncertainties in relation to the charity's continuation as a going concern.

Statement of Trustees' Responsibilities

The trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing the financial statements the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgments and accounting estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping adequate accounting records which disclose with reasonable accuracy at anytime the financial position of the charity and to enable them to ensure that the accounts comply with the Charities Act 2011, the Charities (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charity's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

The trustees' report was approved by the board of trustees and signed on its behalf by:

Ms Maisie England

Trustee
Date 10/8/2026.

Leiomyosarcoma Research UK
Independent Examiner's Report to the Trustees of Leiomyosarcoma Research UK
For the Period 14 October 2024 to 31 October 2025

I report to the trustees on my examination of the accounts of Leiomyosarcoma Research UK (the Trust) for the period ended 31 October 2025.

Responsibilities and Basis of Report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

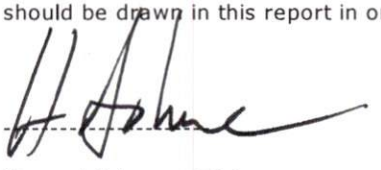

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent Examiner's Statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and contents of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

1. General Information

Leiomyosarcoma Research UK is a charitable incorporated organisation registered with the Charity Commission, registered charity number 1210455. The principal address is 167 - 169 Great Portland Street, London, W1W 5PF.

2. Accounting Policies

2.1. Basis of Preparation of Financial Statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)", Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Charities Act 2011.

The charity is a Public Benefit Entity as defined by FRS 102.

2.2. Incoming Resources

All incoming resources are included in the statement of financial activities when the charity is entitled to, and virtually certain to receive, the income and the amount can be quantified with reasonable accuracy. The following policies are applied to particular categories of income:

- Voluntary income is received by way of grants, donations and gifts and is included in full in the Statement of Financial Activities when receivable. Grants, where entitlement is not conditional on the delivery of a specific performance by the charity, are recognised when the charity becomes unconditionally entitled to the grant.
- Donated services and facilities are included at the value to the charity where this can be quantified. The value of services provided by volunteers has not been included in theseaccounts.
- Investment income is included when receivable.
- Incoming resources from grants, where related to performance and specific deliverables,are accounted for as the charity earns the right to consideration by its performance.

2.3. Resources Expended

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

2.4. Cash and Cash Equivalents

Cash and cash equivalents are basic financial assets and include cash in hand and deposits held at call with banks, other short-term highly liquid investments that mature in no more than three months from the date of acquisition and are readily convertible to a known amount of cash with insignificant risk of change in value, and bank overdrafts.

3. Income from Donations and Legacies

	31 October 2025 Unrestricted funds £
Donations and gifts	43,036

4. Analysis of Expenditure

	Activities undertaken directly	Support costs (see note 5)	31 October 2025 Total
