

Rotary Club of West Derby CIO

Financial Statement by the Trustees as at 30 June 2025

While the CIO was registered in November 2024, and the year end was set at 30 June, this was to tie in with reporting for the previous unincorporated trust fund. No CIO activity took place until 1 July 2025 and the first year's annual reports will therefore be submitted after the end of the financial period to 30 June 2026.

To comply with Charity Commission rules however this report, to 30 June 2025, is submitted as a Nil Return.
