## Activities

---

**Objects:** The object of the CIO, to be carried out for the public benefit in England and Ethiopia as the trustees shall from time to time determine, is: The relief of sickness and the preservation and protection of good health among young refugees and asylum seekers aged between 18 and 26 by providing: A. Information to raise awareness of HIV and other sexual health issues; B. Free HIV and STI prevention resources, sexual and mental health services through the operation of a regulated and licenced clinic in Addis Ababa, Ethiopia; C. Grants of financial assistance to support young people residing in Ethiopia, and refugees and asylum seekers residing in the UK, affected by HIV, their families and carers, designed to relieve financial needs arising from their illness; D. Emotional support and practical advice.

**Activities:** Advancing health equity and social integration for marginalised communities. We deliver vital services including STI awareness, mental health support, and inclusive care to refugees, asylum seekers, and underserved groups. Our programmes bridge cultural and systemic gaps by combining healthcare access with education, advocacy, and integration initiatives that foster belonging and resilience.
