## Activities

---

**Objects:** TO PROMOTE FOR THE BENEFIT OF THE PUBLIC THE CONSERVATION AND PROTECTION OF OSPREYS IN PARTICULAR ALONG THE USK VALLEY (THE 'USK VALLEY' BEING THE CATCHMENT OF THE RIVER USK); AND TO ADVANCE THE EDUCATION OF THE PUBLIC IN THE CONSERVATION AND PROTECTION OF OSPREYS.

**Activities:** Volunteers are trained as osprey watchers operating via the nest cameras or at the viewpoint. They operate in shifts to provide protection for the birds and collect scientific data which is subsequently analysed for conservation research. Education is provided to the public through talks given by experts and by presentations to local groups and schools.
