

1. Trustees' Annual Report:

The 2025 annual report is the first Thomas William Parfett Foundation annual report, the charity having been formed at the end of 2024.

The work towards the objects has made progress through:

- Media coverage, e.g., of the proposal to ban social media for children.
- The TV documentary broadcast on C4 'Poisoned – Killer in the Post' which created a call for change, and featured two Trustees.
- A Daily Mirror feature that included two Trustees and highlighted the need for internet regulation to reduce harms.
- Co-operation with the Molly Rose Foundation, e.g., in the publication of statistic on online suicide harms.
