Accounts

Trustees' Annual Report for the period

From 19th November 2024 to 31st July 2025

Charity name: Pharma Pollution Hub

Charity registration number: 1211006

Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	The Pharma Pollution Hub (PPH) seeks to promote the conservation, protection and improvement of the environment from the negative effects of pharmaceutical pollution, and the sustainable transition towards pharmaceutical supply, use and waste management that is socially, economically and environmentally sustainable.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	<p>We undertake, procure, promote and disseminate the results of research which aims both to understand current pharmaceutical supply, use and waste management systems (their sustainability and societal-wide drivers and impacts), and to develop/implement pragmatic solutions to support the transition towards sustainability.</p> <p>We also provide appropriate information and advice, raise awareness of the issue of pharmaceutical sustainability, and bring together a wide range of public groups for inclusive discussions on this topic at community, regional, national and international levels.</p>
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	Throughout this first accounting year, the Trustees have had regard to the guidance on public benefit issued by the Charity Commission.

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>We raised awareness of the issue of pharmaceutical sustainability and the need for action through giving presentations, providing advice via email and attending meetings with groups from across industry, government and the third sector. This included running a policy roundtable in the UK House of Lords.</p> <p>We also worked with stakeholders from the healthcare sector to publish a peer-reviewed article calling for greater action in the monitoring of pharmaceutical residues from hospitals.</p> <p>These activities were in line with our aim to support the societal transition towards more sustainable pharmaceutical supply, use and waste management, for long-term public and environmental benefit.</p>
