Activities

Objects: A. To act as a resource for young people up to the age of 25 living in The Gambia by providing advice and assistance and organising programmes of educational and other activities as a means of: (a) advancing in life and helping young people by developing their skills, capacities and capabilities to enable them to participate in society as independent, mature and responsible individuals; (b) advancing education; and (c) relieving unemployment. B. To advance the education of the public in the subject of information technology (IT). C. To advance the education and relieve the needs of migrants and refugees in the United Kingdom who are at risk of homelessness, social exclusion or financial hardship by providing free technology education, skills training and support into employment.

Activities: TechforAll Foundation empowers young people and underserved communities through free digital education, IT skills training and employability support. We help young people in The Gambia and migrants and refugees in the UK build confidence, access opportunities and create brighter futures through technology, education and pathways into employment.
