For example, the Seaton Christmas lights switch-on.</p> <p>We worked with Seaton Wetlands to ensure some obstacles on the paths through their property were removed to ease the trishaw's journey.</p>

Achievements and Performance

<p>Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.</p>	<p>Key Highlights</p> <ul style="list-style-type: none">• Delivered approximately 31 rides to 37 passengers and trainee trishaw pilots• Supported 4 care homes and community groups.• Recruited and trained 4 new volunteers.• Logged over 60 volunteer hours.• New trishaw was delivered in March 2025.• Crowdfunder launched and completed during March and April 2025. <p>Impact</p> <p>Feedback from passengers and carers highlights:</p> <ul style="list-style-type: none">• Increased feelings of wellbeing, inclusion and happiness.• Reduced loneliness and improved social engagement.• Opportunities for reminiscence and connection with the local environment. <p>Many of our elderly care home residents have been Seaton residents for some years, however, many haven't visited the local seafront or our wetlands for years. These rides provide a very good prompt for conversation and memories.</p> <p>Typical feedback is, perhaps, summed up by one man's recollection of the area local to his care home which used to be a convent. Most younger local people would not be aware of this. He described the convent and the nuns in detail and was pleased to be able to do so. The volunteers present also learnt something!</p>
