Section 2

Chairman of the Trustees: Martin Canning

Treasurer: Charlotte Smith

Trustees meet monthly in general meeting to transact the ordinary business of the charity.

Trustees are recruited on recommendation and in accordance with the charity's recruitment policy.

The activities of the charity during this early period of its formation include refining its financial arrangements with its bank, Gift Aid registration, refining its policies and procedures and engaging with the school on the procedures for requests from the school for grant aided projects, publicising to the school the aims of the charity.

Financial Review

For the period in question the charity's activities have been necessary circumscribed by the requirement to achieve engagement with the school. The accounts therefore have been prepared in simple form and without the need to deal with, for example, any holdings of reserves (there are none for the period in question). The accounts disclose no deficit and accordingly there was at the date of the period end no question as to the ability of the charity to continue its activities.
