Accounts

Portishead and District Horticultural Society

TREASURERS REPORT 1st September 2024 to 31st August 2025 V2 Final

The Accounts are completed, the books are with the Examiner, Mr Ray Tolhurst, for review. As in previous years it has taken me some time to finalise everything.

The balance sheet shows an overall **Profit for 2025 of £7,316** (£3,465 profit in 2024).

The Society's summary of total funds is **£72,304** (£64,988 in 2024). This is distributed between two Bank accounts: Current Account with £20,378 and Reserve Account 1 with £51,926 (£51,290 in 2024).

Reserve Account 2 is kept separate for the Coach Trips. This will have funds of £136.44 going forward.

From the Balance Sheet the following points should be noted:

1. Subscriptions totalled **£2,244** (£2,300 in 2024). Membership income has increased again a little over last year.
Patrons Support totalled **£925** (£340 in 2024).
I wish to personally thank all those Patrons who made payments as they do make a difference to the Society funds. Many thanks to Jo Brutto for looking after society membership.
When you look at the general expenditure, to keep the Society running (Insurance, Affiliations Expenses etc), you can see there is a deficit of £442. The committee proposal to increase subs to £25 for 2026 will help with this and the Members Evenings deficit.
The Society is now a registered Charitable Incorporated Organisation (CIO). There was a final invoice from Bennetts the Solicitors for £1,350.
2. Peter Burden has done another excellent job in realising income from hiring out the Show Field. As in previous years, the bouncing Castle man (Angus) returned for August, Miller's Circus, Chorus (a local company), and the local Lions – Car Boots. This year, Wales and West Utilities returned for storage of their equipment/materials on the show field, this brought in three payments, totalling £4,350. We have increased costs for hedge and grass cutting as SDR Groundcare finished their support. For 2026 we will be using Glendale to maintain the hedges and grass.
There was an overall surplus of **£5,411**. (£1843 in 2024)
3. Daphne Denis and Mary Fielden continue to do a great job in organising Coach Trips. We had two Coach Trips, Westonbirt in December 2024 for the Winter Wonder lights and Kiftsgate in June which unfortunately for me we were away. The recent Stourhead trip falls within 2026 Accounts. Daphney and Mary have agreed to a transfer of Coach Funds £150 into the Society Funds.
Coach Funds are held in Reserve Account 2 to keep it separated from the Current Account.
4. We had our regular Members Evenings organised by Linda with support from Elaine and Rose. We have had some excellent speakers, good members support, and raffle income. Speaker fees and their travel costs are increasing.
Monthly meetings had a deficit of **£711** (The 2024 deficit was £218).

Portishead and District Horticultural Society

TREASURERS REPORT 1st September 2024 to 31st August 2025 V2 Final

5. The Spring Show was a great Show. There was great support from the community. Many thanks to Jane Pagano, Elaine Hall, Rose Skuse and everyone's hard work. We had a surplus of **£329** (£276 in 2024).

6. The Summer Show was a great success. Unfortunately, we did not have the same support numbers at this year's show. The TryBooking Advanced tickets sales were down on last year. There was a wide range of Trader Stalls, with all pitches were taken. The Wi-Fi system worked well.
A big thanks to Linda, Jane and the all the committee members hard work, but most of all, the volunteers. This including the vast catering team that Kate Ward and Steff Lomax organise to make the Show a success.
We made a profit of **£1831**. (£4,717 in 2024)

Looking Forward

Overall, we've had a good financial year; our Reserve Account is good. We are all aware the Pavilion is looking very tired. Early, first steps are being made on a how we can build a replacement.

We are now a Charity Incorporated Organisation (CIO), registered with the Charity Commission. The Trustees', Linda Hodgetts, Peter Burden, Ian Pritchard and Konnie Atkinson) have held our first meeting.

Being a CIO, this will enable us to source funding support from various bodies (The Town Council, The Lottery Commission, etc.) for the replacement Pavilion.

The committee needs your help to keep things going, we need fresh ideas and support, can you help to share the load.

Do not hesitate to get back to me if you need any further clarification.

I have examined the records presented to me and consider that these accounts present a true and complete picture of the finances of the above society. I found the records to be meticulously maintained.
