Activities

Objects: The Object of the Charity is to advance the education of the adult public in literacy within the UK as agreed by Read Easy UK.

Activities: We help adults who want to learn to read or to improve their skills and confidence with reading. We do this by training and supporting volunteer Coaches, matching them to Readers for confidential, one-to-one coaching using a well-evaluated phonics-based reading scheme. Readers who complete the scheme will be able to read at approximately Functional Skills Entry Level 3.
