Activities

Objects: FOR THE PUBLIC BENEFIT, TO RELIEVE THE NEEDS OF THOSE AND THE FAMILIES OF THOSE SUFFERING BEREAVEMENT AS A RESULT OF THE LOSS OF A CHILD INCLUDING BUT NOT LIMITED TO MISCARRIED AND STILLBORN BABIES BY MEANS OF, BUT NOT EXCLUSIVELY, THE PROVISION OF 3D CASTS AND OTHER MEMORY MAKING ITEMS.

Activities: William's Embrace provides hand and foot castings to families who have experienced baby loss. We are able to operate within the hospitals, mortuary, funeral homes, hospice and at the family home. We create replica hands and feet of the baby so the families are able to have a physical reminder of their baby after they have passed.
